TERTIARY STUDENTS

Open to all full-time tertiary students

TOPICS

Choose one of these three topics to explore your imagination and creativity:

1. ENVIRONMENT & NATURE

Asia is a region of vast, untold beauty. Our natural environments are among the most diverse and beautiful on the planet, yet also the most threatened and abused. Explore the many environmental challenges the region is experiencing or celebrate our triumphs in preserving our natural environment.

2. COLOURS & CULTURE

Asia is a melting pot of cultures and traditions. From traditional wayang opera to hip hop battles, our region is bursting with old and new cultures. Capture the passion, vibrance and colour of Asia's culture, and how they define us as Asians.

3. HEART & SOUL

From natural disasters to greying populations, Asia is dealing with several social and economic issues. What are the topics on the hearts and minds of its people, and what are their effects?

COMPETITION DEADLINE

Competition begins 1 January, 2009 at 0000 hours Singapore time and closes on 30 September, 2009 at 2359 hours, Singapore time. All entries received after the competition deadline will not be considered.
